### Executive Elite - Accessories

Model	Description
02-4BATHDCHG-C	HD 4-Channel Charger Base with (4) HD/FLX Battery Charger Adapters  The latest generation of Revolabs products allows users to easily replace batteries in the field. They can open the back of the microphone, take out the previous battery, and replace it with a new one. With the battery charger adapter users are able to charge spare batteries for HD and FLX products. This allows users to have charged batteries on hand for those cases that go beyond the time of one battery.
